Old Turkic Word Formation

Old Turkic Word Formation: A Functional Approach to the ...
Old Turkic (also East Old Turkic, Orkhon Turkic, Old Uyghur) is the earliest attested form of Turkic, found in Göktürk and Uyghur inscriptions dating from about the 7th century AD to the 13th century. It is the oldest attested member of the Orkhon branch of Turkic, which is extant in the modern Western Yugur language.

Old Turkic word formation (1991 edition) | Open Library
Abstract: The word-formation system of Modern Turkic languages was formed in the result of a long period process of development. Its development history goes back to VI-VII centuries and takes its beginning from the Old Turkic written monuments. The Orhon written monuments are the oldest written records of the Old Turkic

Word-formation System of Orhon Old Turkic Manuscripts

In word-formation of Old Turkic language, scholars identify the following types of derivations: compounding, suffixation, substantivization and calquing. In our research paper, we examine compounding and suffixation as productive means of word formation.
in the language of Orhon inscriptions.
